

James Hopkins has 38 years experience in Asia in sustainable development program management with 20 years experience in malaria control, including 4 years managing pilot implementation of malaria elimination strategies in Thailand.

From 2000 to 2012, he was Senior Program Manager directing Kenan Institute Asia's Regional Public Health Program focusing on building partnerships for cross-border collaboration on communicable disease surveillance and response among countries in the Greater Mekong Sub-region, and development of strategy and models for pilot implementation of malaria elimination in Thailand.

He was a member of the mid-term and final evaluation teams for Thailand's Global Fund Round 2 malaria project , and was a member of the WHO External Malaria Program Review Teams for Indonesia and Myanmar.
